COUNTRY
BLINDS CURTAINS & SHUTTERS

CURTAIN DESIGNS TO TRANSFORM
THE LOOK OF YOUR HOME.

SENSATIONAL, STYLISH AND
ALWAYS PRACTICAL.

Hundreds of fabric choices by the finest makers in the world. Limitless colours and patterns. Country brings famous fabric names like Warwick, Zepel and Charles Parsons right to your home. Our qualified Design Consultants also bring ideas, inspiration and solutions. Concepts in colour, contrast and design to transform rooms and set the perfect mood.

Get inspired knowing that anything is possible because curtains by Country are made right here in South Australia, refined through decades of experience. Whether you're building a new home or planning a fresh look, it starts with Country.

- Premium quality fabrics by the world's best makers including Warwick, Zepel, Charles Parsons, Rowe, Maurice Kain and Nettetex.
- Flexible, custom design and fitting for every home, every window
- Motorisation and automation for efficiency and easy living

LIGHT AND BREEZY. PRACTICAL AND PRIVATE. COMPLEMENT YOUR DÉCOR WITH THE SOFT BEAUTY OF SHEERS.

Our abundance of natural light makes sheer curtains by Country the perfect choice for Australian homes. Whether playing a supporting role to traditional curtains or as a feature across wide windows in modern homes, sheers are a marvel of practical beauty. Enjoy light with privacy, and breezy days with a soft, flowing look.

Have one of our Design Consultants show you sheer fabric selections from classic whites to colours and even prints. Make your choices knowing custom quality is assured through over 35 years of us designing and making it ourselves right here in SA.

- Standalone style, or as part of a curtain package
- Sheer fabric selections by the world's finest makers
- Colours, patterns and styles to complement every decor
- An enormous choice of pleats from formal Pinch Pleats to soft S-Folds

CURTAINS AND SHEERS BY COUNTRY BLINDS. DESIGN REFINED OVER DECADES.

Proudly custom made in our own South Australian factory, curtains and blinds by Country look beautiful and function flawlessly. We've incorporated refinements year after year based on customer feedback to help make our curtains and sheers the very finest available. Everything we make is designed to be functional, durable, easy to use and maintain. Customer support is as simple as a local phone call, direct to the people who make it.

MOTORISATION AND AUTOMATION. THE NEW STANDARD.

Imagine beautiful curtains and sheers that are absolutely effortless to use – perhaps even opening and closing themselves at scheduled times chosen by you. Today, more homeowners than ever before are making this smart, efficient choice. Decades of experience means that Country can incorporate motorisation and automation in a way that's virtually invisible. Curtains and sheers operated by remote control, a smartphone App or even by voice control – it's all beautifully simple.
