TOGETHER, LET'S MAKE YOUR NEW HOME AMAZING.

Trust Country with your window treatments and enjoy all the benefits of local South Australian manufacturing, local support and installation by our own expert project team. Our inspired designs are backed by direct access to the team that creates them right here at Mt Barker. Support is one local phone call away.

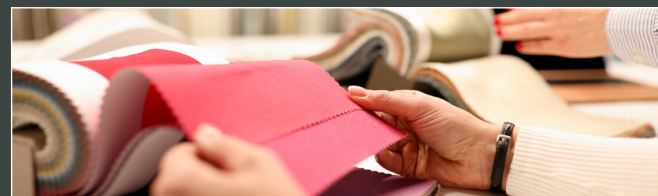

With over 35 years experience rely on Country to partner with you and your builder and deliver a beautiful result you'll be proud of.

IN STEP WITH YOUR PLANS.

Country's proven process puts you first.

1. Enquire with us, and Shannon will call you to make an appointment.
2. You'll receive an email questionnaire to personalise your appointment.
3. Shannon will source your plans and prepare materials in order to showcase her ideas to match your vision. She will also provide a confirmation email for your selections appointment.
4. Attend your appointment at your nearest Country Selections Centre. You'll receive your quote within 1 week.
5. We will monitor your build progress, coordinate check measures, site visits and installation, keeping you informed every step of the way.

YOUR COUNTRY BLINDS DESIGN CONSULTANT.

A Design expert with ten years experience, Shannon O'Brien has a keen eye for detail and a love of working with homeowners.

Shannon specialises in helping you to make great choices, colour matching and complementing your vision through inspired window treatments. Shannon treats each project much as though she were designing for her own home, gaining great satisfaction from each and every completed project.

MOTORISE WITH COUNTRY AND RELAX.

Beautiful to look at, effortless to use – motorisation and automation by Country is the new standard in window furnishings. Decades of research, testing and refinement have led to virtually invisible integration and guaranteed reliability. Open and close your blinds using a remote control, a Smartphone App or even through voice control. Schedule opening and closing times to save effort and energy costs. With Country, it's all perfectly simple.
